Dearest Eltha;

We recieved your letter today and I am writing today. I mean we because I am here in S. L. staying with mother until Wayne starts working again. He hasn't been working for the last 3 wks so rather than the baby & I staying in L. A. He sent us home. I will try to get on the W. P. A. until he has worked enough to have a house & enough money to live on. It might be a month.

The baby crawls all over the house he surely is a wild kid. But he ~~sure~~ has the looks and personality. Every one likes him.

Mother says for you to use your own judjment on comming back or staying there. She says you will be more satisfied if you do what you think is best. Is Doug comming back to S. L.? He is a fine boy and I know he has a lot of sence; give him a little credit and he will always

help you.

Mother also says she sent you some mail at your Oakland address. She says when you have time to go and get it.

The little boys do miss you a lot. Errol said he wished you were here so you could see the baby crawl and sit on his little green chair. They both said to send a kiss and hug and to say hello so here it is.

Ned XOXO Errol XOXO Lois XOXO Mother XOXO Slade XOXO and me XOXO. Slade is working with Frank on the milk route. He just makes 30¢ a day but that is $1.50 a week and he has some nice cloths.

I hope you will get the job you want and that no matter where you decide to live that you will be happy. pray for guidance and you will be shown which is right. I must close now for mother wants to write a few lines. Tell Doug hello for all of us Love from

The whole family Xxxx
