

Etha dear I'm helping Mrs
Gorden today & we are going to
wash. & Neva wants to go down
& register for P.W.A. a baby makes
so much etc work and he hasn't
any dark overalls or coveralls. &
not enough depars she has lost
them all. I sent you some mail at
your Oak Land address I guess I
shouldn't. When you get located
send me your right address so
I will know where to write
shine up to Mr Young if he has
money. so you won't need to work
so hard use your judgement
what to do don't listen to. Dan
he or any one else you will feel
more satisfied if you decide what
is best for your self. Then you won't
have any one to blame. don't waste
& waste shoes dresses or anything

here or I can use them so save
them in a box. You know where
to come when you get ready. +
you know I will do all I can for
you. We all miss you. and
where I am is home to my
children that is all I can say.

You can always get something
to do here but you must rest
your body + nerves + mind a
week or ~~two~~ be two before at-
tempting to rustle work.
