Dear Sister Burton:

Once each year, a select number of members of our Ward have the opportunity of preparing themselves to bring the beautiful message of the gospel of Jesus Christ to others. As with all opportunities, there are challenges and responsibilities to be met as well. None of us should expect to influence the lives of our families and friends without considerable effort. When that influence can mean opening the way to eternal life, no effort should be spared.

After prayerful thought and consideration, we wish to call you to be a member of this year's class in Teacher Training, under the direction of the Sunday School. Your instructor will be Sister Margaret Parker, who has had more than a quarter century of teaching experience in the Church. Your class will meet in Room 10 each Sunday from 10:15 to 11:00 am beginning September 27, 1964. You will then be able to attend your regular Sunday School class.

This calling will be a marvelous experience for you. We urge you to seize this opportunity, and wring from it every advantage the Lord will send unto you.

May the Lord's blessings be with you in this endeavor.

Sincerely yours,

Eastmont Ward Bishopric
